PRACTICE OVERVIEW

Christopher Paul Mitchell (Chris) is a Washington, DC-based patent attorney providing legal services to clients throughout the world. Mr. Mitchell has experience serving a broad spectrum of clients, including publicly and privately held companies, law firms, non-profit organizations, and individuals.

Mr. Mitchell focuses his practice in all areas of intellectual property law, with an emphasis on client counseling, intellectual property procurement, licensing, and litigation support. His patent prosecution experience is primarily in business methods, computer software, and computer hardware. His training is in the computer science and business fields.

Prior to starting this practice, Mr. Mitchell served in the patent practice of one of Northeast Ohio's largest law firms, and later with a top 20 U.S. patent firm located in Washington, DC (source: 2010 Top Patent Firms, Intellectual Property Today). He has worked in the intellectual property field since 2001.
